#### Scaleup in Brazil 3<sup>rd</sup> Edition Partnership Agreement

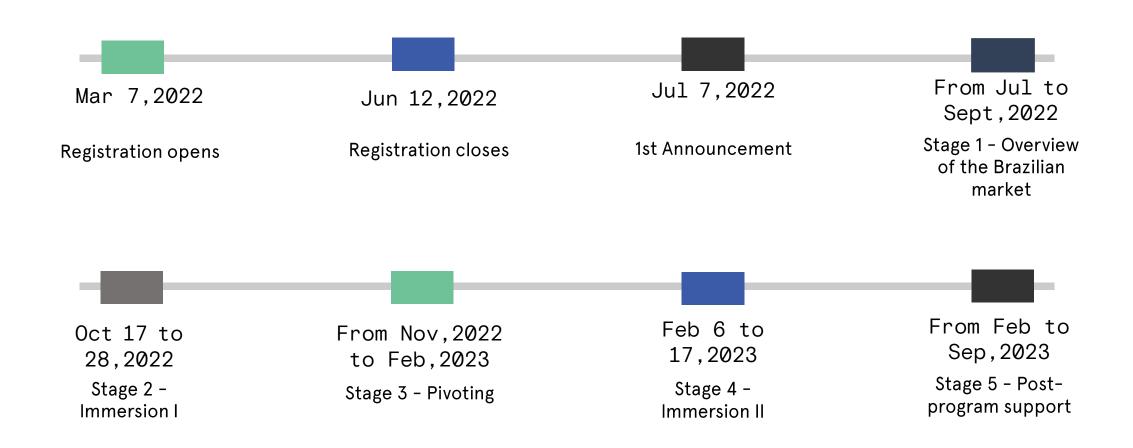

The ScaleUp inBrazil program aims at providing tech innovative companies a landing pad to initiate its operations in Brazil. In this edition the program will potentially work with companies from Israel, Japan and Singapore.

Partners in the program agree to the following:

- Indicate at least one representative who will be the main contact in the program.
- Facilitate introductions with potential clients and partners for the participating companies when appropriate.
- Commit your partnership and support throughout the program until it ends in September 2023.\*

The ScaleUp inBrazil program in return will:

#### **TIMELINE**

#### **MISSIONS**

**Israel** March 20-24, 2022

**Japan** April 25- 29, 2022

Singapore May 2-6, 2022

<sup>\*</sup>Dates are subject to change due to health restrictions and possible effects of the pandemic of COVID-19

#### Let's scaleup together!

ScaleUp inBrazil is much more than a softlanding program. It is a community of people who truly believes that the more we exchange and support each other the better will be for our societies and for the expansion of innovation in solving our most pressing problems.
