Work environment

In 2022, in our second participation in FEEx (FIA Employee Experience), an initiative of FIA - Fundação Instituto de Administração, **we won the FIA UOL Award - Incredible Places to Work.**

For the second year in a row, **we won the FEEx (FIA Employee Experience) certification**, also hosted by FIA, which **recognizes the best companies considering the work environment** (employee satisfaction), people management practices, and office leadership.

Diversity and Inclusion

Our **Diversity and Inclusion program** is built by many people with **dedication, responsibility, and confidence** in our capacity for transformation. After its launch, we carried out several actions **to raise awareness and strengthen the commitments** assumed by the firm in this field.

About the firm

Chambers and Partners

“We chose the firm for the business acumen of its lawyers, their quick responses and the hands-on approach from partners.”

Latin Lawyer

“Many firms claim to do what it takes to meet the clients’ needs, whatever they are, but only a small proportion actually succeed in putting the client at the center of what they do - and in yet fewer is that success so apparent as it is at Lobo de Rizzo.”

The Legal 500

“High quality, with a strong structure and close relationships with clients.”
